Susan Wiles
White House Chief of Staff
Executive Office of the President
Washington, D.C. 20500

Dear Ms. Wiles:

In a recent *Vanity Fair* profile, you said you have read “the Epstein file” and that President Trump “is in the file”; “was on [Epstein’s] plane”; and is “on the manifest.” Please be kind enough to explain when and where and under what authority you gained access to this material, as requested below. It would be good to have your responses to the following questions by January 5, 2026.

1. What were the materials in “the Epstein file” you referred to in your *Vanity Fair* interview?
2. Had material in the file you reviewed been presented to a grand jury?
3. When did you first gain access to “the Epstein file” and what was the schedule of your review of it?
4. For what purpose did you gain access to this information?
5. Did you share with President Trump any information contained in the file you reviewed?
6. Please describe your role in any process related to the review, redaction, withholding, or release of material in the “Epstein file,” including any processes involving the Department of Justice or Federal Bureau of Investigation.

Thank you in advance for your cooperation.

Sincerely,

Sheldon Whitehouse
