

United States Senate
WASHINGTON, DC 20510

April 18, 2018

The Honorable Mick Mulvaney
Director
Office of Management and Budget
725 17th Street, NW
Washington, D.C. 20503

Dear Director Mulvaney:

We are writing to request information related to efforts by Charles and David Koch, Koch Industries, and the numerous groups they fund to influence decisions at the Office of Management and Budget (OMB).

The close ties between individuals serving in the Trump administration and the Koch brothers' network have been widely reported over the last year and a half.¹ Long-standing members of the Koch network fill the ranks of the federal government, raising concerns about the network's access to and influence over federal decision-making. Americans have a right to know if special interests are unduly influencing public policy decisions that have profound implications for public health, the environment, and the economy.

Last December, a six-page report titled "Efforts in Government: Advancing Principled Public Policy" was distributed to the Seminar Network—a network of wealthy individuals organized by Charles and David Koch to fund their political and policy efforts.² Among other things, this report outlined regulatory rollbacks and laws the Kochs considered successes during the first year of the Trump administration. The report notes, "In the first eleven months of President Trump's Administration, the White House and Congress have closely followed the Network's Roadmap to Repeal."

So that we may better understand the role that the Kochs and their affiliated groups have played in shaping public policy decisions in this administration, we request the following information not later than May 15, 2018:

- Any communications or documentation thereof (including but not limited to emails, memos, meeting notes, correspondence, and calendar items) between OMB employees and any employee, member, or representative of the following organizations:
 - o Koch Industries or any of its subsidiaries
 - o the Seminar Network
